

**Vancouver Island Heather Society
Spring Heather Sale, March 27, 2010**

The varieties listed below will be on the sale. In addition, there will be a selection of plants from the Wilson's own collection. As we do not know the varieties prior to their delivery, these cannot be listed below. However, we do expect that there will be a good selection of Erica hybrids such as Eric x watsonia, Erica x williamsii, Erica x stuartii and Erica x griffithsii.

The price of the plants will be \$3 for the 3 1/4 inch plants (\$2.50 for VIHS (Vancouver Island Heather Society) members), \$15 for the one gallon tree heaths (\$12 for VIHS members) and \$4 for the 3 1/4 inch tree heaths (\$3.50 for VIHS members).

Other than the one gallon tree heaths, all plants are in the 3 1/4 inch pots.

Genus	Species	Variety	Flower Colour	Spring/wint colour	Foliage Colour	Hgt (ins)	Wth (ins)	Flowers Start	Mth of Flowers
